Tile Roof Damage Release

Warning: Due to the process of fumigation, there may be minor to extensive damage done to tile or tile type roofs. The undersigned agrees that Mike Falduto Fumigation and/or the Prime Termite Control Company does not accept responsibility and is not liable for damage done to tiles. It has been explained to the undersigned that every effort will be taken to reduce or avoid damages. It was also explained to the undersigned that the fumigation workmen will be walking on the roof and that Tile Roof Insurance could be obtained at an additional cost to the homeowner.

Plant Damage Release

Warning: Due to the process of fumigation, there may be damage done to "non-removable" plants or plants that surround or cover the structure. The undersigned agrees that Mike Falduto Fumigation and/or the Prime Termite Control Company does not accept responsibility and is not liable for damage done to plants that are in the fumigation zone. It has been explained to the undersigned that every effort will be taken to reduce or avoid damage. The undersigned has also been given a form in which describes the steps to reduce damage done by the workman.

Satellite Dish Damage Release

Warning: Due to the process of fumigation, there may be damage or misalignment done to satellite dishes. The undersigned agrees that Mike Falduto Fumigation and/or the Prime Termite Control Company does not accept responsibility and is not liable for damage/misalignments to dishes. Dishes are highly sensitive and our crew prefers not to touch them if possible. If undersigned wishes, the workman can take down and return the dishes to their original brackets, BUT WE ARE NOT RESPONSIBLE FOR REALIGNMENT. It has also been explained that the undersigned may want to contact their satellite company to take care of removal/return and alignment of these dishes. It has been explained to the undersigned that every effort will be taken to reduce or avoid damage.
